DO NOT CIRCULATE25X1X
SOURCE [REDACTED]

1. Between 28 and 30 April 1951, it was learned that most of the troops from the Pionier Kaserne in Riesa (N 52/E 81) were absent from the post, and were probably at Koenigsbrueck.

2. No changes were observed in the occupation of the Soviet office on August 25X1A
Rebelstrasse, the Von-der-Goltz Kaserne, or the gasoline depot. Motor
vehicles seen in the streets of Riesa included 1 with a [REDACTED]
25X1A series; 2 with [REDACTED] series [REDACTED]
25X1A of the [REDACTED] series; [REDACTED]
25X1A [REDACTED]

25X1A [REDACTED] Comment. [REDACTED] that elements of the 9th Tank Div left
25X1A Riesa on three trains for Koenigsbrueck between 12 and 18 April 1951. See
25X1A [REDACTED] The present report indicates that the 108th Tank Regt
from the Pionier Kaserne may have been at Koenigsbrueck since mid-April 1951,
but that the Hq 9th Tank Div on August Rebelstrasse and the 70th Gds H25X1A
Tank SP Regt were still at the post at the end of April 1951. [REDACTED]
